Similarly, irrespective of quantum of paid up share capital, no Company shall enter into any contract or arrangement with a related party for sale, purchase or supply of goods or materials, availing and rendering of any services, transfer of resources, services or obligations, leasing of property of any kind and appointment of agent for purchase or sale of goods, materials, services or property amounting to ten per cent or more of the turnover of the Company except with the consent of the Board of Directors given by a resolution at a meeting and prior approval of shareholders. However, approval requirements as stipulated under Section 188 shall not apply to any transactions entered into by the Company which are entered in its ordinary course of business and are at arm's length.

Though exempted under Section 188(1) of the Companies Act, 2013, transactions have to be approved by the Members by way of an ordinary resolution as per Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in case such transactions are of material nature, i.e. if the related party transaction individually or taken together with previous transactions during a financial year reaches the materiality limit, i.e. exceeds rupees one thousand crore or ten percent of the annual consolidated turnover of the Company as per the last audited financial statements of the Company (whichever is lower).

As per Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, if the transaction(s) by the Company or with all its Subsidiaries together, with a related party exceeds rupees one thousand crore or ten percent of the annual consolidated turnover of the Company as per the last audited financial statements of the Company (whichever is lower), it shall require prior approval of the Audit Committee & Shareholders of the Company from the conclusion of 19<sup>th</sup> Annual General Meeting till the conclusion of 20<sup>th</sup> Annual General Meeting, then such transaction shall be classified as material related party transaction(s) and requires approval of the shareholders by way of an ordinary resolution.

In the Annual General Meeting dated August 14, 2024, the Company had obtained approval for material related party transactions with M/s. L.G. Balakrishnan & Bros Limited with respect to sale, purchase or supply of goods or materials, leasing of property of any kind, availing and rendering of any services, transfer of resources, services or obligations and appointment of agent for purchase or sale of goods, materials, services or property, in any financial year for an amount not exceeding ₹ 50 Crores till the conclusion of the 19<sup>th</sup> Annual General Meeting.

M/s. L.G. Balakrishnan & Bros Limited (LGB) is a Related Party as defined under Section 2(76) of the Act read with Regulation 2(1)(zb) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Company is proposing to enter into certain business transactions with a related party for a period of one year from the conclusion of this 19<sup>th</sup> Annual General Meeting to until the conclusion of the 20<sup>th</sup> Annual General Meeting of the Company. The nature of transactions is in the form of sale, purchase or supply of any goods or materials, selling or otherwise disposing of or buying, leasing of property of any kind including movables, availing or rendering of any services or any other transaction of whatever nature with M/s. L.G. Balakrishnan & Bros Limited (LGB). All transactions to be entered into by the Company with LGB are in the ordinary course of business and are at arm's length basis and necessary approvals as required in compliance of the provisions under the Act / SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 have already been obtained from the Audit Committee / Board.

It may be noted that as per the amended definition provided in the explanation to Regulation 23(1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which is effective from 1<sup>st</sup> April, 2022, a transaction with a related party shall be considered material if the transaction to be entered into individually or taken together with previous transactions during a financial year exceeds ₹ 1,000 Crores or ten percent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity whichever is lower. Further, all Material Related Party Transactions require prior approval of the Members through a resolution and no related party shall vote to approve such resolution whether an entity is a related party to the particular transaction or not. The aggregate limit of transactions with M/s. L.G. Balakrishnan & Bros Limited for a period of one year from the conclusion of this 19<sup>th</sup> Annual General Meeting to until the conclusion of the 20<sup>th</sup> Annual General Meeting of the Company are estimated to be ₹ 60 Crores (Rupees Fifty Crores only) and this amount exceeds the threshold limit, one of the criteria as prescribed in the amended definition of Material Related Party Transactions under Regulation 23(1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and therefore this would be considered as Material Related Party Transaction(s). Accordingly, it required approval of the Company by way of passing of an Ordinary Resolution under Regulation 23(4) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Approval of the Members of the Company is therefore being sought in terms of Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 by way of passing of an Ordinary Resolution for approval to the aforesaid Material Related Party Transactions to be entered into with M/s. L.G. Balakrishnan & Bros Limited as stated above.

The particulars of the proposed transaction pursuant to para 3 of Explanation (1) to Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014 and the information to be provided to the Shareholders for consideration of Related Party Transactions as per SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/2023/120 dated July 11, 2023 read with SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated November 22, 2021 is as under:

**The Instructions for shareholders for e-voting and joining virtual meetings are as under:**

- Step 1 : Access through Depositories CDSL / NSDL e-voting system in case of individual shareholders holding share in demat mode.
- Step 2 : Access through CDSL e-voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
1. The e-voting period begins on **Monday, August 18, 2025 (09.00 a.m. IST)** and ends on **Wednesday August 20, 2025 (5.00 p.m. IST)**. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of **Thursday, August 14, 2025**, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
  2. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
  3. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020, under Regulation 44 of SEBI (LODR) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1: Access through Depositories CDSL/NSDL e-voting system in case of individual shareholders holding shares in demat mode.**

In terms of SEBI Circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

[Pursuant to Regulation 34(2)(e) read with Schedule V Para B of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

**Economic Overview:**

The Indian economy demonstrated steady growth in FY 2024-25, despite ongoing global challenges such as geopolitical tensions in the Middle East, the Russia-Ukraine conflict, evolving U.S. trade policies, and persistent inflationary pressures. While global economic growth is projected to remain modest—with the International Monetary Fund (IMF) forecasting 2.80% in 2025 and 3.00 in 2026, India continues to show resilience.

This growth is largely driven by robust public and private sector spending and a rise in real disposable income, which has supported domestic consumption. Looking ahead, the economic outlook for India remains cautiously optimistic amidst continued external headwinds. The IMF projects India's GDP growth at 6.3% for 2025.

**Industry Overview and Business Structure:**

While global uncertainties are expected to impact exports across sectors, domestic demand within the forging and broader manufacturing industries remains stable. This creates a landscape that presents both opportunities and challenges.

The automotive industry, a key driver for forgings, has maintained consistent demand despite the gradual transition toward electric vehicles (EVs). In response, your Company continues to work closely with customers, aligning strategies with long-term goals and investing in capacity expansion to meet future demand.

Your Company aims to be the preferred supplier of hot and cold forged components catering to both automotive and industrial segments. We specialise in the development and production of components using stainless steel, alloy steel, and carbon steel—ranging from semi-finished to fully machined parts. In addition, we continue to explore new manufacturing domains that align with and expand our core business capabilities.

Our facilities are equipped with hot and cold forging presses, open hammer presses, and CNC machining centers. The in-house tool room is supported by advanced design and analysis software, enabling efficient die and tool production that is critical to forging quality and productivity. We operate fully integrated manufacturing plants that include capabilities for cutting, forging, heat treatment, machining, finishing, inspection, testing, cleaning, and surface treatment.

**Business Environment Outlook & Prospects:**

Our continuous focus on value engineering, operational efficiency, effective utilisation of manpower, timely and high-quality deliveries and preventive machinery maintenance is yielding positive results.

To support customer demand and ensure uninterrupted supply, we have leased a new plant in Coimbatore. Additionally, construction has commenced at our new facility in Chennai, which is expected to begin operations by mid-next year. This expansion will help us meet increased customer demand and strengthen our manufacturing footprint.

In the upcoming year, we will maintain our focus on:

- Enhancing customer satisfaction
- Strengthening productivity systems
- Improving asset management and maintenance practices
- Driving sales growth and operational excellence

**Opportunities and Threats:**

The forging industry continues to face several challenges, including:

- Shortage of skilled labor
- High energy consumption
- Rising input and logistics costs
- Global geopolitical instability

These issues can impact operational efficiency, increase product costs, disrupt supply chains, and affect the timely delivery of forged products. Your Company actively monitors these developments and remains agile in responding to changes to ensure consistent delivery of high-quality products to our customers.

**Segment-wise or Product-wise Performance:**

The Company operates in only one segment viz., Forging and Machining. The performance of the Company is detailed in the Directors Report.

**Risks and Concern:**

The Company has an active risk management framework which enables diligent checks and appraisals of various activities for promptly identifying, responding and mitigating potential risks both internally and externally. The key risks for your company include raw material, technology, manpower competency and cyber security. The Company is taking requisite steps to mitigate the risk areas.

**Internal Control Systems and their Adequacy:**

The Company has adequate internal financial control systems in place. It has also engaged Internal Auditors, being third party consultants to regularly assess the adequacy of the internal control systems and to suggest appropriate measures to improve the controls. This has also been monitored at periodic intervals by the Audit Committee and the Board.

**Human Resources / Industrial Relations:**

Your Company currently has 206 employees. LGB Forge Limited has and continues to focus on fostering, nurturing, developing and retaining a proficient work force by conducting training programs and other HR initiatives for boosting morale and motivation.

The Company has successfully concluded all the applicable settlements in the respective plants. The industrial relations continue to be peaceful and harmonious throughout the year.

**Health & Safety:**

The Company has always prioritised the health and safety of its employees and ensures a safe and healthy working environment. Training programmes on health and safety are conducted in regular intervals and periodic inspections and reviews are done to ensure that adequate safety measures are taken in the company premises.

**Discussion on Financial Performance with respect to Operational Performance:**

During the year, the revenue from operations and other income for the financial year under review were ₹ 9475.28 Lakhs as against ₹ 8999.28 Lakhs for the previous financial year resulting in a marginal increase in the revenue. The profit/loss after tax (including the continued and discontinued operations) was (₹ 122.45) Lakhs for the financial year under review as against (₹ 986.748) Lakhs respectively for the previous financial year. **INDEPENDENT AUDITOR'S REPORT**
**To the Members of LGB Forge Limited**
**Report on the Audit of the Ind AS Financial Statements:**
**Opinion:**

We have audited the accompanying Ind AS financial statements of LGB FORGE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and notes to the IND financial statements, including a summary of significant accounting policies and other explanatory information(hereinafter referred to as the "Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2025 and its loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion:**

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified u/s 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are Independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

**Key Audit Matters:**

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1	<p><b>Allowance for Credit Loss:</b></p> <p>The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. In calculating expected credit loss, the Company has also considered other related credit information for its customers to estimate the probability of default in future.</p> <p>We identified allowance for credit losses as a key audit matter because the Company exercises significant judgment in calculating the expected credit losses.</p>	<p>Our audit procedures related to the allowance for credit losses for trade receivables include the following, among others :</p> <p>We tested the effectiveness of controls over the (1) development of the methodology for the allowance for credit losses, including consideration of the current and estimated future economic conditions (2) computation of the allowance for credit losses.</p>

S. No.	Key Audit Matter	Auditor's Response
2.	<p><b>Adoption of IND AS 116 – Leases:</b></p> <p>As per IND AS 116, a right of use asset and lease liability was recognized in the balance sheet. Lease liability is initially recognized at the present value of future lease payment during the lease term. This standard requires usage of significant judgments and estimation in recognizing the leases.</p> <p>The standard mandates detailed note on impact of leases</p> <p>Reference is drawn to note 39 to the Ind AS financial statements.</p>	<p><b>Principal Audit Procedures :</b></p> <p>We have performed the following audit procedures:</p> <p>a) We have reviewed various judgments and controls applied by the management in classifying the leases based on contractual agreements.</p> <p>b) We have verified the reconciliation prepared between short term or low value leases and leases where IND AS 116 was applied.</p> <p>c) We have verified the recognition of right of use assets and lease liability including the estimates such as discount rates and lease term.</p> <p>d) Assessed and verified the presentation and disclosures of leases as per IND AS 116 including the disclosure requirements of transition period.</p>

**Information other than the Ind AS Financial Statements and the Auditor's report thereon:**

The Company's Board of directors is responsible for preparation of other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance Report and Shareholder's information, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report the fact. We have nothing to report in this regard.

**Management's Responsibility for the Ind AS Financial Statements:**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibility for the Audit of the Ind AS Financial Statements:**

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Ind AS Financial Statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements:**

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we enclose in Annexure 1, a statement on the matters specified in Paragraphs 3 and 4 of the Order, to the extent applicable.
- 2) As required by Section 143 (3) of the Act, based on our audit we report that :
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) rules, 2014.
  - e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls with reference to Ind AS Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with the reference to Ind AS Financial Statements.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS Financial Statements. Refer Note No.37 on Contingent Liability to the Ind AS Financial statements.
  - ii. The company did not have any long-term contracts including derivative contracts. Hence, the question of any material foreseeable losses does not arise;
  - iii. There is no amount required to be transferred to the Investor Education and Protection Fund by the Company. The question of delay in transferring such sums does not arise

- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year ended March 31, 2025.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable for the financial year ended March 31, 2025.

Based on our examination which included test checks and in accordance with the requirements of the Implementation Guide on Reporting on Audit Trail under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, it was observed that the company has used accounting software for maintaining its books of account, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software. The audit trail feature has been consistently preserved and retained as per legal requirements. Further, during the course of our audit, we did not find any evidence of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

**ANNEXURE 1 TO INDEPENDENT AUDITOR'S REPORT**

[Referred to in paragraph 1 under 'Report on other Legal and Regulatory Requirements' in the Independent Auditor's report of even date to the members of LGB Forge Limited on the financial statements for the year ended March 31, 2025.]

In terms of the information and explanations sought by us and given by the Company and the books and records examined by us in the normal course of audit and to the best of our knowledge and belief, we report the following:

- i) (a) (i) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.  
(ii) The Company has maintained proper records showing full particulars of intangible assets.  
(b) During the year, the Property, Plant and Equipment of the Company have been physically verified by the management at regular intervals; as informed no material discrepancies were noticed on such verification. In our opinion, the frequency of physical verification is reasonable having regard to the size of the Company and the nature of its assets.  
(c) The title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.  
(d) The Company has not revalued its Property, Plant and Equipment (including right of use assets) and Intangible Assets during the year.  
(e) No proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder. Hence reporting under this clause (i)(e) of Paragraph 3 of the Order is not required.
- ii) (a) As explained to us, inventories have been physically verified by the management at regular intervals during the year.  
(b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.  
(c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification as compared to the book records.  
(d) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, during the year from banks or financial institutions on the basis of security of current assets and the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of accounts of the Company.
- iii) The Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties including promoters and related parties during the financial year and hence sub-clauses (a) to (f) of clause 3(iii) of the Order are not applicable to the Company.
- iv) During the year, Company has not made any loans or investments or given any guarantees and hence disclosure under this clause related to compliance with the provisions of Section 185 and 186 of the Act does not arise.

- v) The Company has not accepted any deposits from the public or amounts which are deemed to be deposits during the year to which directives issued by the Reserve Bank of India and the provisions of Section 73 and 76 of the Act are applicable and as such clause 3(v) of the Order is not applicable.
- vi) We have broadly reviewed the cost records maintained by the Company specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, as applicable to the Company, and are of the opinion that prima facie the specified cost records have been maintained. We have, however, not made a detailed examination of the cost-records with a view to determine whether they are accurate or complete.
- vii)
  - (a) According to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, GST, and any other statutory dues with the appropriate authorities during the year.
  - (b) According to the information and explanations given to us, no undisputed amounts payable in respect of Provident fund, Employees' state insurance, Income tax, Goods and Service tax, Customs duty, Cess and any other material statutory dues applicable to it, were outstanding, at the year end, for a period of more than six months from the date they became payable.
- viii) During the year there were no transactions not recorded in the books of account that have been surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 and hence reporting under this clause whether the previously unrecorded income has been properly recorded in the books of account during the year does not arise.
- ix)
  - (a) In our opinion and according to the information and explanation given to us during the course of the audit, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender including banks, financial institutions and government.
  - (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
  - (c) In our opinion and according to the information and explanations given to us, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
  - (d) The funds raised on short term basis have, prima facie, not been used during the year for long term purposes by the Company.
  - (e) The company does not have any subsidiaries, associates or joint ventures and hence reporting on the funds taken by the Company from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures does not arise.
  - (f) The company does not have any subsidiaries, associates or joint ventures and hence reporting on the loans raised by the Company during the year on the pledge of securities held in its subsidiaries, associates or joint ventures does not arise.
- x)
  - (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under this clause is not applicable.
  - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under this clause is not applicable.
- xi)
  - (a) To the best of our knowledge and belief and according to the information and explanations given to us, no fraud on or by the Company was noticed or reported during the year that causes the financial statements to be materially misstated.

- (b) To the best of our knowledge and belief and according to the information and explanations given to us during the course of the audit, no report under sub-section (12) of Section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and upto the date of this report.
- (c) As represented to us by the management and on the basis of our audit procedures, there are no whistle blower complaints received by the Company during the year.
- xii) The company is not a Nidhi Company and hence reporting under clause (xii) (a), (b) and (c) of Paragraph 3 of the order does not arise.
- xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial Statements as required by the applicable accounting standards.
- xiv) (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence reporting under clause (xv) of Paragraph 3 of the Order does not arise.
- xvi) (a) According to the information and explanations given to us during the course of the audit and on the basis of our examination of the financial statements of the Company in our opinion the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
- (b) In our opinion on the basis of our examination of the financial statements and representations made by the Company it has not conducted any Non-Banking Financial or Housing Finance activities during the year.
- (c) According to the information and explanations given to us during the course of the audit and on the basis of our examination of the financial statements of the Company and representations made by the Company, in our opinion the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- (d) According to the information and explanations given to us during the course of the audit and as represented to us by the Company in our opinion, there is no Core Investment Company within Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under this clause is not applicable.
- xvii) Based on our audit procedures and the information and explanations given by the management, we are of the opinion that the company has incurred cash losses in the immediately preceding financial year 2023-24 ₹ 535.35 Lakhs. However, the Company has not incurred any cash losses during the current financial year 2024-25.
- xviii) There has been no resignation of statutory auditors during the year and hence reporting under clause (xviii) of Paragraph 3 of the Order is not applicable.
- xix) (a) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, and our knowledge of the Board of Directors and management plans, and based on our examination of the

evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

- (b) We however state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx) Section 135 of the Act does not apply to the company, therefore reporting under clause (xx)(a) and (b) of Paragraph 3 of the Order is not applicable to the company.
- xxi) The company does not have any Indian Subsidiary and hence reporting under clause (xxi) of Paragraph 3 of the Order is not applicable to the Company.

**ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT**

[Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of LGB Forge Limited on the Financial Statements for the year ended 31-03-2025]

**Report on the Internal Financial Controls over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act"):**

We have audited the internal financial controls over financial reporting of LGB Forge Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for the Internal Financial Controls:**

The Board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility:**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting:**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting:**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion:**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**
**Note No. 1:**
**A Corporate Information:**

LGB Forge Limited was incorporated on June 07, 2006. The company is into manufacturing of Cold and Hot forged components and has its manufacturing unit at Tamilnadu, Karnataka ,and formerly in Pondicherry. The Pondicherry division has been sold pursuant to a Business Transfer Agreement effective April 1, 2024. As an addition to its Tamil Nadu operations, a new Hot Forging Plant has been opened at Kinathukadavu, Coimbatore, with operations commencing from January 2025. The Company concentrates in manufacturing high volume auto, electrical & transmission forged components for automobiles, non-automotive segments like valve industry and infrastructure equipment industry including machining for customers in automotive, off-road and non-automotive segments.

**B Significant Accounting Policies:**
**I. General Information and Statement of Compliance:**

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies during the periods presented.

**II. Basis of Preparation and Presentation:**

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India.

The financial statements have been prepared on historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes in to account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

**III. Use of Estimates:**

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management of the Company to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Application of accounting policies that require "significant accounting estimates involving complex and subjective judgements and the use of assumptions" in these financial statements have been disclosed separately under the heading "Significant accounting Judgements, estimates and assumption".

**Functional and Presentation Currency:**

These financial statements are presented in Indian Rupees (INR), which is the company's functional currency.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

All financial information presented in INR has been rounded to the nearest lakhs (upto two decimals).

These financial statements are approved for issue by the Company's Board of Directors on May 07, 2025.

**IV. Current versus Non - Current Classification:**

The entity presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is classified as current, when:

- It is expected to be realised or intended to be sold or consumed in normal operating cycle. It is held primarily for the purpose of trading.
- It is expected to be realised within twelve months after the reporting period, or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is classified as current, when:

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- The entity classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

**V. Revenue Recognition:****Sale of Goods:**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue on sale of goods is recognized when the risk and rewards of ownership is transferred to the buyer, which generally coincides with the despatch of the goods or as per the inco-terms agreed with the customers.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. It comprises of invoice value of goods including excise duty and after deducting discounts, volume rebates and applicable taxes on sale. It also excludes value of self-consumption.

**Income from Service:**

Income from sale of services is recognized when the services are rendered as per the terms of the agreement and when no significant uncertainty as to its determination or realisation exists.

In respect of the exports made by the Company, the related export entitlements from Government authorities are recognized in the statement of profit and loss when the right to receive the incentives / entitlements as per the terms of the scheme is established and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

**Interest Income:**

Interest income is recorded using the effective interest rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

**Dividend Income:**

Dividend income is recognized when the company's right to receive dividend is established by the reporting date, which is generally when shareholders approve the dividend.

**VI. Property, Plant and Equipment:**

Property, Plant and Equipment (PPE) being fixed assets are tangible items held for use or for administrative purposes and are measured at cost less accumulated depreciation and any accumulated impairment. Cost comprises of the purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates and any costs attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the Management.

Financing costs relating to acquisition of assets which take substantial period of time to get ready for intended use are also included to the extent they relate to the period up to such assets are ready for their intended use. Items of stores and spares that meet the definition of PPE are capitalized at cost and depreciated over its useful life. The carrying amount of an item of PPE is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from de-recognition of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized. Depreciation on Property, Plant and Equipment (PPE) are provided under straight line method as per the useful lives and manner prescribed under Schedule II to the Companies Act, 2013, except for building and medical equipments, which are depreciated over the useful life as estimated by the management.

The management believes that the useful life adopted reflect the expected pattern of consumption of future economic benefit:

Particulars	Useful life
Factory Building	30 Years
Plant and Equipment	7.5 Years (Triple Shift)
Furniture and Fittings	10 Years
Vehicles	8 Years
Other Equipment	15 Years

Where the cost of a part of the PPE is significant to the total cost of the PPE and if that part of the PPE has a different useful life than the main PPE, the useful life of that part is determined separately for depreciation.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

The depreciation method applied to an asset is reviewed at each financial year end and if there has been a significant change in the expected pattern of consumption of future economic benefits embodied in the asset, depreciation is charged to reflect the changed pattern.

**VII. Intangible Assets:**

Intangible assets are recognized only if it is probable that future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.

Computer software licenses are capitalised on the basis of costs incurred to acquire and bring to use the specific software. Operating software is capitalised and amortised along with the related fixed asset. Other

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

software is amortised, on a straight line method, over a period of three years based on management's assessment of useful life.

Useful lives of Intangible Assets:

<b>Class of Assets</b>	<b>Useful life</b>
Software	3 Years
Goodwill	5 Years
Intellectual Property Rights	5 Years

**VIII. Impairment of Property, Plant and Equipment and Intangible Assets:**

The carrying amounts of its tangible and Intangible assets are reviewed, as at each balance sheet date, to determine if there is any indication of impairment based on internal / external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. The recoverable amount is greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows as a cash generating unit are discounted to the present value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an extent occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

**IX. Inventories:**

Inventories are valued at lower of cost and net realizable value. Cost includes all direct costs and applicable production overheads, to bring the goods to the present location and condition.

- i) Costs of raw materials, packing materials, tools and dies and Store & Spare Parts are computed on weighted average basis.
- ii) Costs of finished goods and semi-finished goods are computed on weighted average basis.
- iii) Agriculture Produce is valued at estimate realizable value.
- iv) Cost of stock held for trading are computed on weighted average basis.

**X. Financial Instruments:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**a) Financial Assets:**
**Initial Recognition and Measurement:**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

**Subsequent Measurement:**

For purposes of subsequent measurement, financial assets are classified in four categories:

- (i) Debt instruments at amortized cost;
- (ii) Debt instruments at fair value through other comprehensive income (FVTOCI);

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

- (iii) Debt instruments and equity instruments at fair value through profit or loss (FVTPL);
- (iv) Equity instruments measured at fair value through other comprehensive income (FVTOCI).

**Debt Instruments at Amortized Cost:**

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

**Debt Instrument at FVTOCI:**

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and

The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

**Debt Instrument at FVTPL:**

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

**De-recognition of Financial Assets:**

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily de-recognized when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass through' arrangement and either:

- (a) the Company has transferred substantially all the risks and rewards of the asset, or
- (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a passthrough arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

**b) Financial Liabilities:**
**Initial Recognition and Measurement:**

All financial liabilities are recognized initially at fair value and transaction cost (if any) that is attributable to the acquisition of the financial liabilities is also adjusted.

**Subsequent Measurement:**

The measurement of financial liabilities depends on their classification, as described below:

**i. Loans and Borrowings:**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in profit or loss when the liabilities are de-recognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

**ii. Trade and Other Payables:**

These amounts represent liabilities for goods or services provided to the Company which are unpaid at the end of the reporting period. Trade and other payables are presented as current liabilities when the payment is due within a period of 12 months from the end of the reporting period. For all trade and other payables classified as current, the carrying amounts approximate fair value due to the short maturity of these instruments. Other payables falling due after 12 months from the end of the reporting period are presented as non-current liabilities and are measured at amortized cost unless designated as fair value through profit and loss at the inception.

**iii. Other Financial Liabilities at Fair Value through Profit or Loss:**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gains or losses on liabilities held for trading are recognized in the profit or loss.

**De-recognition of Financial Liabilities:**

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or Modification is treated as the de- recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

**c) Offsetting of Financial Instruments:**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

**d) Compound Financial Instruments:**

A financial instrument that comprises of both the liability and equity components are accounted as compound financial instruments. The fair value of the liability component is separated from the compound instrument and is subsequently measured at amortized cost. The residual value is recognized as equity component of other financial instrument and is not re-measured after initial recognition.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

The transaction costs related to compound instruments are allocated to the liability and equity components in the proportion to the allocation of gross proceeds. Transaction costs related to equity component is recognized directly in equity and the cost related to liability component is included in the carrying amount of the liability component and amortized using effective interest method.

**XI. Impairment of Financial Assets:**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

**XII. Fair Value Measurement:**

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participant's would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities;

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

**XIII. Foreign Currencies:**
**a) Initial Recognition:**

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025****b) Conversion:**

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or any other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Foreign currency monetary items are reported using closing foreign exchange rate.

Non-monetary items, which are carried in terms of historical cost denominated in foreign currency are reported using the exchange rate at the date of transaction.

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year or reported in previous financial statements are recognized as income or as expenses in the year in which they arise.

**XIV. Borrowing Costs:**

Borrowing costs attributable to the acquisition or construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use.

All the other borrowing costs are recognized in the statement of profit and loss in the period in which they are incurred.

**XV. Employee Benefits:****a) Retirement Benefit Costs and Termination Benefits:**

Payments to defined contribution retirement benefit plans are recognized as an expense when employees have rendered service entitling them to the contributions.

Liabilities with regard to the gratuity plan and long term compensated absences are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

Service cost (including current service cost, past service cost, as well as gains/losses on curtailments and settlements);

Net interest expense or income; and Re-measurement of actuarial gain/losses.

The Company presents the first two components of defined benefit costs in the statement of Profit and Loss in the line item 'Employee benefits expense'.

The retirement benefit obligation recognized in the balance sheet represents the actual deficit or surplus in the Company's defined plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**
**b) Short-term and Other Long-term Employee Benefits:**

A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service. Liability recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service. Liabilities recognized in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

**XVI. Leases:**

The company has adopted Ind AS 116 “Leases” with effect from 1<sup>st</sup> April, 2019. The Company has measured Right-to-use Asset and Lease Liability based on the remaining lease period and payments discounted using the incremental borrowing rate as at the date of initial application. The Company’s lease asset classes primarily consist of leases for Land and Buildings. The Company assesses whether a contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset;
- (ii) the Company has substantially all of the economic benefits from use of asset through the period of the lease; and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset (“ROU”) and corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straightline basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future least payments.

The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made. A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets. Lease liability and ROU asset have been separately presented in the balance sheet and lease payments have been classified as financing cashflows.

**XVII. Taxation:**

Income tax expense comprises current tax and the net change in the deferred tax asset or liability during the year.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**
**a) Current Tax:**

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961, and based on the expected outcome of assessments/appeals.

**b) Deferred Tax:**

Deferred tax is recognized on temporary differences between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exist to set off current tax assets against current tax liabilities and deferred tax assets/deferred tax liabilities relate to same taxable entity and same taxation authority.

The carrying amount of deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

**XVIII. Provisions:**

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value unless otherwise required by the standard and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

**XIX. Earnings per share:**

- a) Basic earnings per share are computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.
- b) For the purpose of calculating diluted earnings per share, the profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**XX. Cash and Cash Equivalents:**

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

**XXI. Non-Current Assets Held for Sale:**

Non-Current Assets are classified as Held for Sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and sale is considered highly probable. A sale is considered as highly probable when decision has been made to sell, assets are available for immediate

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

sale in its present condition, assets are being actively marketed and sale has been agreed or is expected to be concluded within 12 months of the date of classification. Non-current assets held for sale are neither depreciated nor amortised. Assets and liabilities classified as Held for Sale are measured at the lower of their carrying amount and fair value less cost of disposal and are presented separately in the financial statement.

**Significant Accounting Judgements, Estimates And Assumptions:**

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the company's accounting policies :

**a) Useful lives of depreciable assets:**

Management reviews the useful lives of depreciable assets at each reporting period. As at March 31, 2025 management assessed that the useful lives represent the expected utility of the assets to the Company. Such lives are dependent upon an assessment of both the technical lives of the asset and also their economic lives based on various internal and external factors including efficiency and operating costs. Accordingly depreciation lives are reviewed annually using the best information available to the management.

**b) Evaluation of indicators for impairment of assets:**

The evaluation of applicable indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

**c) Recognition of deferred tax liability:**

Significant management judgement is required to determine the amount of deferred tax asset that can be recognized based on the likely timing and the level of future taxable profits together with future tax planning strategies.

**d) Provision and contingent liability:**

Provisions and liabilities are recognized in the period when it becomes probable that there will be future outflows of funds from past events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change.

On an ongoing basis, the Company reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss contingencies that are considered possible are not provided for but disclosed as contingent liabilities in the financial statements. Contingencies, the likelihood of which is remote, are not disclosed in the financial statements.

**e) Defined benefit obligation:**

Management's estimate of the defined benefit obligation is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may impact the obligation amount and the annual defined benefit expenses.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025****f) Fair value measurements:**

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

**Recent Accounting Pronouncements:**

The Ministry of Corporate Affairs ("MCA") issues notifications from time to time introducing new accounting standards or amending existing ones under the Companies (Indian Accounting Standards) Rules. MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable from April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it is not likely to have any significant impact in its financial statements..

**C. Financial Risk Management Objectives:**

The Company's businesses are subject to several risks and uncertainties including financial risks.

The Company's activities expose it to credit risk, liquidity risk, market risk - interest rate risk and foreign currency risk. The Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

<b>Risk</b>	<b>Exposure arising from</b>	<b>Measurement</b>
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Ageing analysis, Credit ratings
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts
Market risk -Interest rate risk	Long-term borrowings at variable rates	Cash flow forecasting, Sensitivity analysis
Foreign Currency risk	Recognised financial assets and liabilities not denominated in functional currency	Cash flow forecasting, Sensitivity analysis

**i. Credit Risk:**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of credit worthiness as well as concentration risks. The company's credit risk generally arises from cash and cash equivalents, trade receivables, and other financial assets.

**Credit Risk Management:**

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

<b>Assets Group</b>	<b>Description of category</b>	<b>Particulars</b>	<b>Provision for expected credit loss *</b>
Low credit risk	Assets where the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil.	Cash and cash equivalents, other bank balances, investments, loans, trade receivables and other financial assets.	12 month expected credit loss/life time expected credit loss.
Moderate credit risk	Assets where the probability of default is considered moderate counter-party where the capacity to meet the obligations is not strong.	Nil	12 month expected credit loss/life time expected credit loss.
High credit risk	Assets where there is a high probability of default.	Nil	12 month expected credit loss/life time expected credit loss.

\*Life time expected credit loss/fully provided for trade receivables.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**
**Provision for Expected Credit Losses for Trade Receivables:**

The company provides for expected credit loss based under simplified approach:

Particulars	Year ended March 31, 2025
Opening Expected loss as at April 01, 2024	80.10
Less : Reduction in Provision	4.29
Closing Expected loss as at March 31, 2025	84.39

Based on business environment in which the Company operates, a default on a financial asset is considered when the counterparty fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions. Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss.

<b>Total</b>	<b>4,666.31</b>	<b>2,422.73</b>

As per simplified approach, the Company makes provision of expected credit losses on trade receivables based on past experiences to mitigate the risk of default in payments and makes appropriate provision at each reporting date wherever outstanding is for longer period and involves higher risk.

**ii. Liquidity Risk:**

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

**iii. Liquidity Risk Management**

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Particulars	Less than 1 Year	1 - 5 years	More than 5 years	Carrying amount

<b>Total</b>	<b>2,357.61</b>	<b>1,297.52</b>	<b>-</b>	<b>3,655.13</b>

**iv. Market Risk:**

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of a financial instrument. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates. The Company actively manages its currency and interest rate exposures through its finance division and uses derivative instruments such as forward contracts and currency swaps, wherever required, to mitigate the risks from such exposures. The use of derivative instruments is subject to limits and regular monitoring by appropriate levels of management.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**
**Interest Rate Risk:**
**A) Assets:**

The Company holds interest bearing assets in the form of fixed deposits with banks. The variation in interest risk not material as the balance in deposits is not significant.

**Interest Rate Sensitivity Analysis:**

Particulars	March 31, 2025	March 31, 2024
Fixed Deposits with Bank	48.47	47.76
Impact on profit – increase of 25 basis points	0.12	0.12
Impact on profit – decrease of 25 basis points	(0.12)	(0.12)

**B) Liabilities:**

The Company is exposed to interest rate risk because it borrows funds at both fixed and floating interest rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

Particulars	March 31, 2025	March 31, 2024
Floating rate loans	1,727.08	2,705.71
Fixed rate loans	200.00	200.00
<b>Total Borrowings</b>	<b>1,927.08</b>	<b>2,905.71</b>

**Interest Rate Sensitivity Analysis:**

If interest rates had been 100 basis points higher / lower and all other variables were held constant, the Company's profit for the year ended 31 March 2025 would decrease / increase by ₹ 21.39 Lakhs (for the year ended 31 March 2024: decrease / increase by ₹ 27.05 Lakhs). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.

**v. Foreign Currency Risk Management:**

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company actively manages its currency rate exposures through a centralised treasury division and uses natural hedging principles to mitigate the risks from such exposures. The use of derivative instruments, if any, is subject to limits and regular monitoring by appropriate levels of management.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

**Fair Value Hierarchy:**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety. The three levels are explained as follows:

- Level 1 – Inputs are quoted prices in active markets for identical assets or liabilities that the company can access at the measurement date. These quoted prices are unadjusted.
- Level 2 – Inputs are inputs, other than quoted prices included in level 1, that are observable for the asset or liability, either directly or indirectly.
- Level 3 – Inputs are unobservable inputs for the asset or liability.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

The table below categorises financial instruments and analyses those measured at fair value by the level into which the fair value measurement is categorised.

Categories of Financial Instruments	Level	As at March 31, 2025	As at March 31, 2024
<b>Financial Liabilities</b>

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**
**46. RETIREMENT BENEFIT PLANS:**
**Defined Contribution Plans:**

In accordance with Indian law, eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions, as specified under the law, are made to the Provident fund as well as Employee State Insurance Fund.

The expense recognised during the period towards this defined contribution plan is 38.33 Lakhs (March 31, 2024 – 51.72 Lakhs)

**Defined Benefit Plans:**
**(a) Gratuity:**

Gratuity is payable as per Payment of Gratuity Act, 1972. In terms of the same, gratuity is computed by multiplying last drawn salary (basic salary including dearness allowance, if any) by completed years of continuous service with part thereof in excess of six months and again by 15/26. The Act provides for a vesting period of 5 years for withdrawal and retirement and a monetary ceiling on gratuity payable to an employee on separation, as may be prescribed under the Payment of Gratuity Act, 1972, from time to time. However, in cases where an enterprise has more favourable terms in this regard the same has been adopted.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to the market yields on government bonds denominated in Indian Rupees. If the actual return on plan asset is below this rate, it will create a plan deficit.
Interest risk	A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

**The principal assumptions used for the purposes of the actuarial valuations of all divisions (other than Pondicherry Division) were as follows:**

Particulars	March 31, 2025	March 31, 2024
Mortality Table	Indian Assured Lives Mortality (2012-14) Ultimate	
Attrition Rate	5.00% p.a	5.00% p.a
Discount Rate	6.84% p.a	7.25% p.a
Rate of increase in compensation level	13.00% p.a. F5Y & 7.00% p.a. TA	13.00% p.a. F5Y & 7.00% p.a. TA
Rate of Return on Plan Assets	7.25% p.a	7.57% p.a

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

**Amounts recognised in profit and loss in respect of these defined benefit plans are as follows:**

The Company's best estimate of pay-outs are as under Discounted / Present values:

Particulars	March 31, 2025	March 31, 2024
Within one year	11.30	6.00
After one year but not beyond five years	42.56	25.08
Beyond five years upto ten years	52.81	31.19
Payments beyond ten years	81.96	52.95

Note: The above values are present values as on March 31, 2025 & March 31, 2024 respectively.

The weighted average duration of the defined benefit obligation is 11.85 years (March 31, 2024 – 12.22 years).

**b) Compensated absences:**

The leave scheme is a final salary defined benefit plan, that provides for a lumpsum payment at the time of separation; based on scheme rules the benefits are calculated on the basis of last drawn salary and the leave count at the time of separation and paid as leave encashment.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

The design entitles the following risk:

Interest rate risk	The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.
Salary inflation risk	Higher than expected increases in salary will increase the defined benefit obligation.
Demographic risk	This is the risk of volatility of results due to unexpected nature of decrements that include mortality attrition, disability and retirement. The effects of these decrement on the DBO depend upon the combination salary increase, discount rate, and vesting criteria and therefore not very straight forward. It is important not to overstate withdrawal rate because the cost of retirement benefit of a short caring employees will be less compared to long service employees.

**Amounts recognised in Profit and loss in respect of these defined benefit plans are as follows:**

Details of the items included in numerator and denominator for computing the above ratios.

- Capital employed refers to sum of [Share Capital + Other equity - Intangible Assets + Lease Liabilities + Deferred Tax liabilities + Total Debt]
- Earnings before interest and taxes = [Profits after current & deferred taxes + Finance Costs + Current Taxes + Deferred Taxes]
- Earnings available for Debt Service = Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + Loss on sale of Fixed assets
- Debt service = Interest & Lease payments + Principal repayments

\* The following ratios show a change of more than 25% as compared to last year. The reasons for the high variance are as under:

**a) Debt Service Coverage Ratio:**

The ratio improved due to substantial non-recurring profits from the sale of discontinuing operations.

**b) Inventory Turnover Ratio:**

The ratio increased due to a significant reduction in closing inventory.

**c) Trade Payables Turnover Ratio:**

The ratio increased due to a significant reduction in closing trade payables.

**d) Net Profit Ratio:**

The ratio improved due to substantial gains from exceptional items.

**e) Return on Capital Employed Ratio:**

The ratio improved due to reduced losses and lower finance costs.

**f) Return on Investment Ratio:**

The ratio improved due to a reduction in losses before exceptional items and higher non-current assets.

Note: The comparative ratios for the financial year ended 31.03.2025 (i.e., for 31.03.2024) will not align with the financial statements of 31.03.2024, as the Pondy Division was discontinued during the current financial year. Accordingly, for the purpose of comparatives, the figures relating to the Pondy Division have been excluded, whereas they were included in the previous year's financials.
